

**CELEBRATING OUR 29TH YEAR.
DECEMBER 2016**

MESSAGE FROM THE PRESIDENT

Dean Anglace

Since 1987 the Connecticut Travers have only cancelled three shoots. Sunday, November 20th was one of them.

At 5:30 in the morning I started to receive troubling reports about the snow and ice that had already fallen and the forecast for more snow. After speaking with Steve at Mid-Hudson, and remembering last year's ice storm and all of the accidents on the highway the decision was made to cancel the shoot.

At that point Danielle and I started to call all the people that had mailed in their reservations and letting them know the shoot had been cancelled. We asked them to contact as many of their squad mates as possible to help spread the word. We were unsuccessful in reaching everyone who had signed up. I am truly sorry for that and regret not reaching everyone. We have learned from this and have made appropriate changes in how we manage cancellations in the future.

Unfortunately I had to cancel the November shoot altogether. It wouldn't have been feasible to ask Mid-Hudson on their busiest weekend of the year to host our shoot.

So we move on and close the year out at Fairfield County Fish & Game Protective Association for our annual Christmas Shoot. The shoot is already filled to capacity and we are looking forward to closing out the year with a "bang".

I have lots of exciting changes in store for next year, I hope you can join us at a few events.

MEMBERSHIP RENEWAL

Jeff Hunter

All CTSCA Members have been sent a renewal form via email or USPS mail. I have received about a third of them back at this point. I will resend a reminder for those who have not renewed sometime after the Christmas Shoot. I also plan on taking renewals at the Christmas shoot for those of you that prefer to pay in person.

We appreciate the feedback we have gotten so far during the renewal process. Keep it coming!

THANK YOU

Jeff Hunter

As 2016 comes to a close, I would like to take the opportunity to thank those people that have made Reload! better this year. First, and certainly foremost, I would like to thank Bill Beinert for carrying much of this year's shoot writeups. Bill has been doing a great job covering all the shoots when he's north of the Mason-Dixon line.

I'd also like to thank Derek Moore for filling in when neither Bill nor I could attend. Derek was very gracious with his time this year contributing some articles and photos from some of our shoots. I am very honored to have someone with Derek's pedigree contributing to Reload!

Of course, I can not forget my other writers who have contributed to Reload! this year; Jim Comiotes, Bob Schrager, and Steve Monti. Reload is an all volunteer effort and without these people you would get 12 months of Jeff Hunter (which nobody wants!).

Last, but not least, I would like to thank Dean and Danielle Anglace. Without them, the whole process of organizing shoots, managing caterers, squadding, and getting everybody out to the course on time would not be as smooth as it has been over the last year. When things go right, nobody notices. When things go wrong, Dean is the first person to hear about it. Even though things go more right than wrong, I want to say "THANK YOU!" to Dean and Danielle.
